

Project Description

The International Youth Foundation's (IYF) "En Trayecto" program, supported by Citi Foundation since 2019, aims to improve the employability of vulnerable youth aged 18-29 in Chihuahua, Mexico (45% women and gender minorities).

18-29

AGES

45%

WOMEN AND GENDER MINORITIES

Local Context

Despite economic growth and high employment rates, 11% of young people in Chihuahua face challenges in finding employment due to economic and social factors like gender, disability, race, ethnicity, or migration.

Intervention Model

"En Trayecto" offers a comprehensive short-term training model that combines technical training, life skills and support measures, based on the Positive Youth Development philosophy. Over the course of 6 weeks the program provides:

Technical Training

Life Skills

Job Readiness

Financial Education

Complementary Activities

Support Services

Alumni Community
