YouthMap Projects: Youth and stakeholders from across sectors discuss what works in youth-focused programming

The second day of the conference will bring together a variety of young people and youth-serving institutions to discuss programmatic responses to opportunities and challenges identified in the assessments. Youth participants and implementing partners from YouthMap innovation fund activities will discuss lessons learned, best practices, and opportunities for scale. The projects represented include an internship project promoting employability in Uganda, an agriculture project promoting entrepreneurship in Senegal, and the SET Africa fellowship program which promotes leadership and social innovation regionally. Participants will have the opportunity to join thematic breakout sessions to explore two of the three projects.

8:30–9:30

Registration and Youth Expo

Conference participants will have the opportunity to learn about the experiences and work of YouthMap beneficiaries, including:

- *SET Africa* Fellows showcasing their social ventures;
- *YouthMap Uganda Internship Program* graduates discussing their findings from research on youth perspectives of sexual and reproductive health and agricultural livelihoods.

9:30–10:00

Opening Session

Welcome remarks by the MC and a representative of the Government of Uganda.
